## **Gyan Setu Scheme**

Endeavors to find solutions to complex social, environmental and economic challenges have increasingly required collaboration between academic institutions. By striking up such partnerships, academic institutions help themselves adapt and thrive amid economic volatility, political change, demographic shifts and technological developments. Keeping that in mind we at Hansraj College feel that such collaborations are the need of the hour. It is with this vision, we present our Scheme”, based on the principle of mutual collaboration in terms of teaching, research and sharing knowledge between two Colleges in the remotest areas of India as equal partners.

## **Objectives of Gyan Setu Scheme**

The objectives of the Scheme includes:

- Sharing expertise, knowledge and experience of the faculty members with partner colleges.
- Sharing e-resources, e-books, lectures and other teaching methods with partner colleges

-To upgrade and to strength soft skills and employability skills among students of partner colleges

-To augment the teaching learning process via sharing teaching training tools and pedagogy with faculty of the partner college

-To make the partner college familiar with the equipment and instrumentation that is required to set up science labs and guide them by sharing information regarding procurement of resources.

-To boost extra-curricular and cultural richness among students of both colleges.

## **About Hansraj College**

Hansraj - one of the largest constituent colleges of the University of Delhi - a premier institution has been ranked as one of the top ten colleges of the Country in Science, Commerce & Arts several times in the last decade. Hansraj

College ensures complete development of the body, mind and the soul of its students while imparting traditional Indian values to its students. The College was founded by the D.A.V. College Managing Committee on July 26, 1948 in the sacred memory of Mahatma Hansraj, a pioneer in the field of education. More than 6000 students on its rolls interact here with a galaxy of scholars comprising its faculty. In the 72 years of its existence it has made a significant and unparalleled contribution to society in terms of producing numerous dignitaries, scholars, intellectuals and sports persons who served different domains not only at the national level but also internationally. The college faculty is dedicated towards growth and development of the institution academically and administratively to constantly strive for excellence. As you enter the portals of this institution (<https://www.hansrajcollege.ac.in>), the calm, serene atmosphere of a beautiful campus surrounded by lush green lawns and a magnificent heritage building touch your soul.

## About Dergaon Kamal Dowerah College

Established in 1962, Dergaon Kamal Dowerah College, had been a shining beacon of hope for the rural population of a large section of Golaghat district. It has been foundational in inspiring not just academic, but socio-cultural development and innovation amidst diverse communities of underprivileged people. Over the years, D.K.D College has become one of the premiere institutions of higher education under Dibrugarh University, making a name for itself in academic and scholarly initiatives, through groundbreaking research work leading to the discovery of a new bacterium, DKDC1. The college boasts of a fully equipped NCC training facility, along with dedicated extra-curricular activities curriculum. The college has taken up a leadership role in ensuring that the faculties are

extremely and holistically competent in supporting and guiding the students in all aspects of excellence. It is with this vision of enriching faculties, scholars, learners, transcending boundaries, that we are organising this webinar. It is also a part of our objective to shine a light on the hitherto marginalised literature of the Northeast of India, and bring to fore the rich cultural and literary heritage of this region.

## About the One-Day International Conference

Modern issues and current events have an effect on our everyday lives. Changes in society impact how community, household, organizations and common citizens operate. From climate change to technology and from social issues to health, contemporary issues abound in almost every area of our current lives. While it is important to understand the history of everything from where it all started, it is equally important to understand how contemporary issues affect the society and the various stakeholders on it.

Contemporary issues' will help shape our society and play a role in the ways we interact with one another. Some contemporary issues are useful and unifying for society, like electronic banking, small business, while others can be divisive - think politics, climate issues or universal healthcare. The International Conference will be a great help to engage with such issues concerning the public to understand how the various processes shape our contemporary world and how they will work towards a solution to remove those problems.

## Objectives of the One-Day International Conference

To engage with issues of major public concern.

- To understand the processes shaping our contemporary world.
- To analyse the interplay between economic, cultural, political, and social issues.
- To adopt a global perspective towards the modern predicament.

- To explore the internal, regional and global determinants in shaping the contemporary world order.
