1. INTRODUCTION:

Dergaon Kamal Dowerah College, (DKD College) a premier higher educational institution under Dibrugarh University, had a humble beginning. The public in general and a host of leading personalities of the locality felt the necessity of establishing an institution for higher education and the result was the decision to start an Arts College initially. In 1962 the classes were started in a public theatre hall (Bapuji Mandir) and after four years the establishment was shifted to its present site located in scenic surrounding with glorious historical background just on the outskirts of Dergaon Town.

A generous donation from Late Kamal Dowerah, a pious and benevolent citizen of the locality, helped the promoters to give a concrete shape to the project and in memento of it the institution was christened as DERGAON KAMAL DOWERAH COLLEGE. The pioneering efforts of Late D.N. Kakoty, Naren Sarmah and H.K. Mahanta, the founder President, Secretary and Principal respectively helped it enormously in attaining its present prestigious status.

The College celebrated its silver jubilee in 1987 and marked the Golden Jubilee celebration on 16-08-2012 for completing fifty years of its glorious existence. The college is ready to celebrate Diamond Jubilee towards the end of this present year. Through these years it has made significant strides in its development to become one of the best institutions under Dibrugarh University imparting education upto Major level in different streams and PG semester courses in Economics, Assamese, Physics and Chemistry to the student population of more than 2500. The college had been assessed by NAAC for the first time in 2003 and was accredited at the B+ level. This premier institute was assessed and re-accredited in 2010 and awarded B grade with CGPA of 2.73 and re-accredited for 3rd cycle of NAAC was conducted in 2023 and the college was accredited with A+ grade with CGPA 3.37. A Network Resource Centre (NRC) with internet connectivity has been set up in the college with a grant from the UGC.

A major grant was sanctioned to the college by DST, New Delhi under NER package support in FIST programme for upgrading of Science Laboratories. Construction of a multistoried construction of Girls' Hostel with a grant of Rs. 68.0 Lakhs from UGC was completed. Construction of another Boys' Hostel was also completed with a grant from the Govt. of Assam. A major grant was also released by the UGC for construction of an Indoor Stadium within the college campus. The project has already been completed.

In view of the Golden Jubilee of the college a well-equipped Seminar Hall was constructed from the contribution of the members of DKD College Teachers' Unit.

2. MISSION AND GOALS:

In the post-independence socio-cultural scenario of the state and particularly of an economically and educationally backward region like Dergaon, it was felt imperative to provide young boys and girls with an opportunity for higher academic pursuit, and thereby help them shape and realize their dreams and aspirations. The college was established with the above goal in the early sixties and it has succeeded in substantially achieving this goal.

In the context of the new developments taking place as a result of economic liberalization, privatization and globalization (LPG) which are beginning to make their impact felt on higher education, the college has given a fresh look at its goal and is trying to redefine it in such a way as to make it more relevant to the contemporary socio-economic needs. As a result of this, some new areas have been identified. Efforts are being made to improve infrastructural facilities in the areas and academic activities are being gradually extended to them. These new areas, such as employment-oriented certificate/ diploma course, vocational subjects, extension and consultancy services, career guidance etc. are expected to fulfil the needs of modern young generation of this region. It is also universally felt that unless innovative ideas are brought into play in the course content and syllabus structure so as to suit students of varying aptitude and intellectual level, higher education can hardly be expected to be effective in instilling in the students the confidence to face the challenges of modern life. Efforts are therefore being made to prepare well thought-out and time-bound programmes concerning these aspects some of which have already been started with the expectation to start the rest in near future. Through carefully prepared plans and determined execution of the same over a period of years, the college has rendered yeoman service for the cause of the economically, educationally disadvantaged sections of a rural environment.

The policies of the college are:

- Know the student better.

$$SGPA (S_i) = \frac{\sum C_i G_i}{\sum C_i}$$

Where C_i is the number of credit of the i th course and G_i is the grade point scored by the student in the i th course.

Example for computation of SGPA

Semester	Course	Credit	Letter Grade	Grade Point	Credit Point (Credit X Grade)
I	Major (Core)	4	A	8	4X8=32
I	Minor	4	B+	7	4X7=28
I	GEC 1	3	B	6	3X6=18
I	AEC (Language)	4	A+	9	4X9=36
I	Value Added Course I	2	A	8	2X8=16
I	Value Added Course II	2	A	8	2X8=16
I	SEC	3	B+	7	3X7=21
		22			167
	SGPA				167/22= 7.59

- (ii) The CGPA is also calculated in the same manner taking in to account all the courses undergone by a student over all the semesters of a programme.

$$CGPA (Si) = \frac{\sum CiSi}{\sum Ci}$$

Semester I	Semester II	Semester III	Semester IV	Semester V	Semester VI
Credit: 22	Credit: 22	Credit: 22	Credit: 22	Credit: 22	Credit: 22
SGPA: 7.59	SGPA: 8.00	SGPA: 7.6	SGPA: 7.59	SGPA: 8.00	SGPA: 7.00
CGPA= (22 X 7.59+ 22 X 8.00+22 X 7.6+22 X 7.59+22 X 8.00+22 X 7.00)/132= 7.63					

The SGPA and CGPA shall be rounded off to two decimal points and reported in the transcripts.

- (iii) Conversion of CGPA in to percentage (%):** CGPA will be multiplied by 10. Percentage of marks = (CGPA X 10)
- (iv) The Letter grade ‘B+’ and above shall be considered as First Class and Letter grade ‘B’ shall be considered as Second Class.
- (v) A student is considered to have completed a course successfully and earned the prescribed credits if he/she secures a letter grade other than F (Failed) or ‘Abs’ (Absent/Incomplete).
- (vi) If a candidate secures ‘F’ grade in a Course, he/she shall have to reappear in the Course in the next legitimate chance.
- (vii) If a student secures ‘F’ grade in Project Work/ Dissertation/ assignment etc., he/she shall have to re-submit it after necessary revisions. The Result shall be declared with next regular batch.
